

FindMeCure

From the Idea to **200 000 Patients** and...

Maya Zlatanova, CEO and Co-founder of FindMeCure

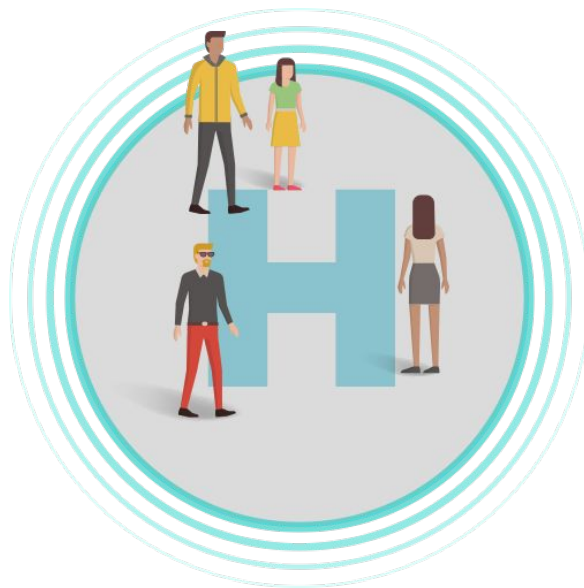

Ideal World:

Doctors connecting patients to clinical trials

Reality: Postcode Lottery

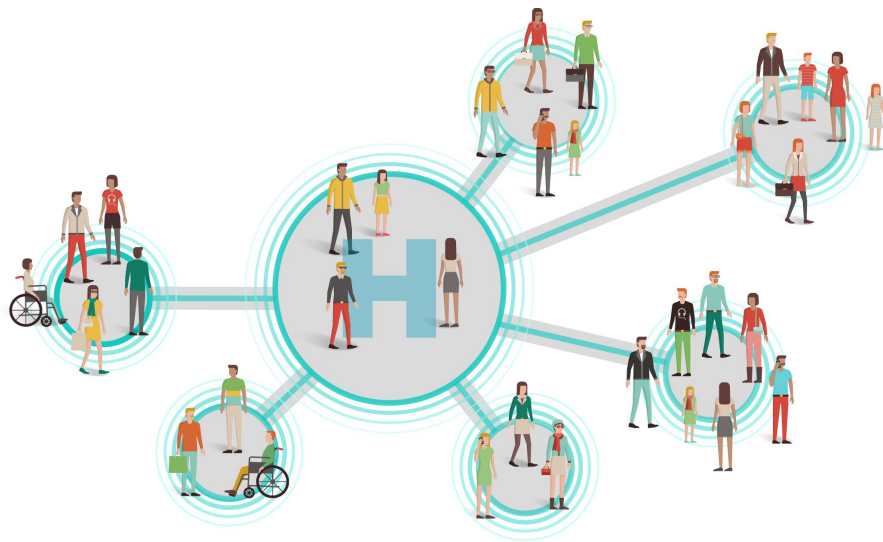

FindMeCure

Bringing Clinical Trials
Closer To Patients

FindMeCure.com

Find, Understand and Apply

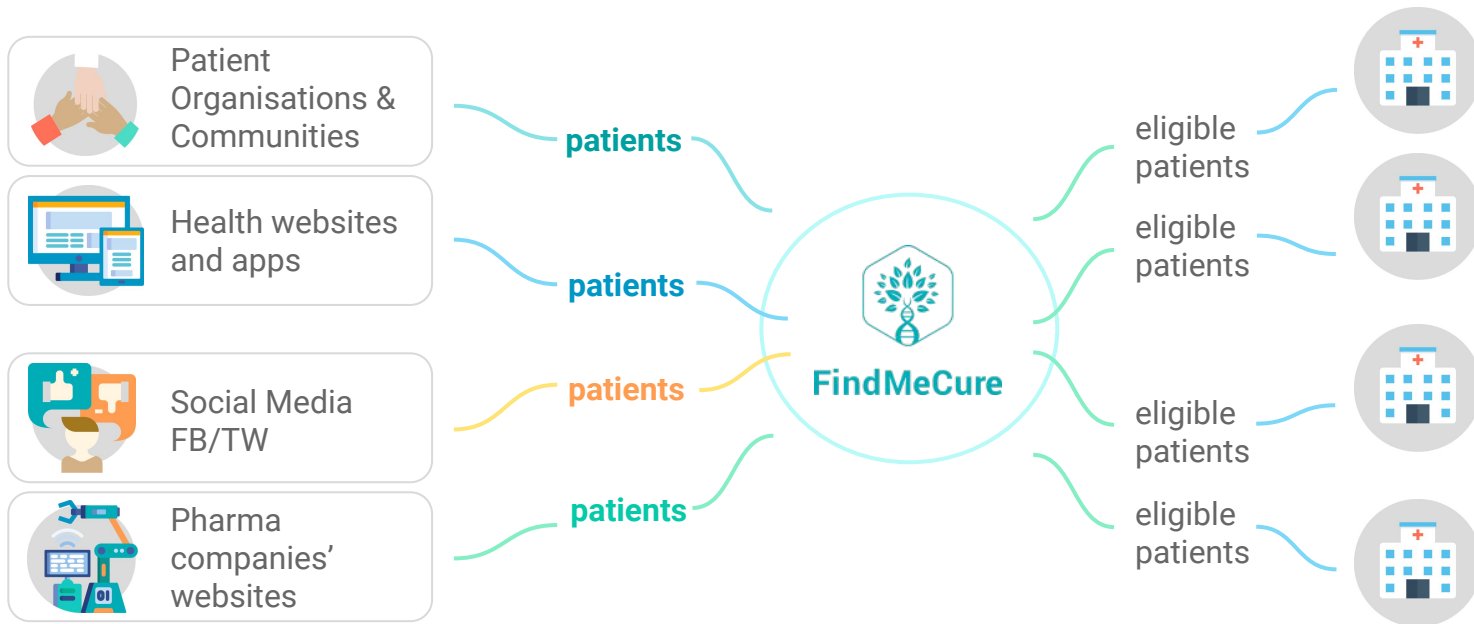

FindMeCure
Foundation

Bringing Clinical Trial Awareness
Among Communities

Progress is key:

Automating how patients volunteer for clinical trials online

Last 2 years in a nutshell

200+

Patient organizations
and health communities

200 000+

Patients
volunteered for CTs

TA agnostic

All Conditions
(Immunology, Orphan
Diseases, Oncology etc.)

Worldwide

With focus on
Europe and the USA

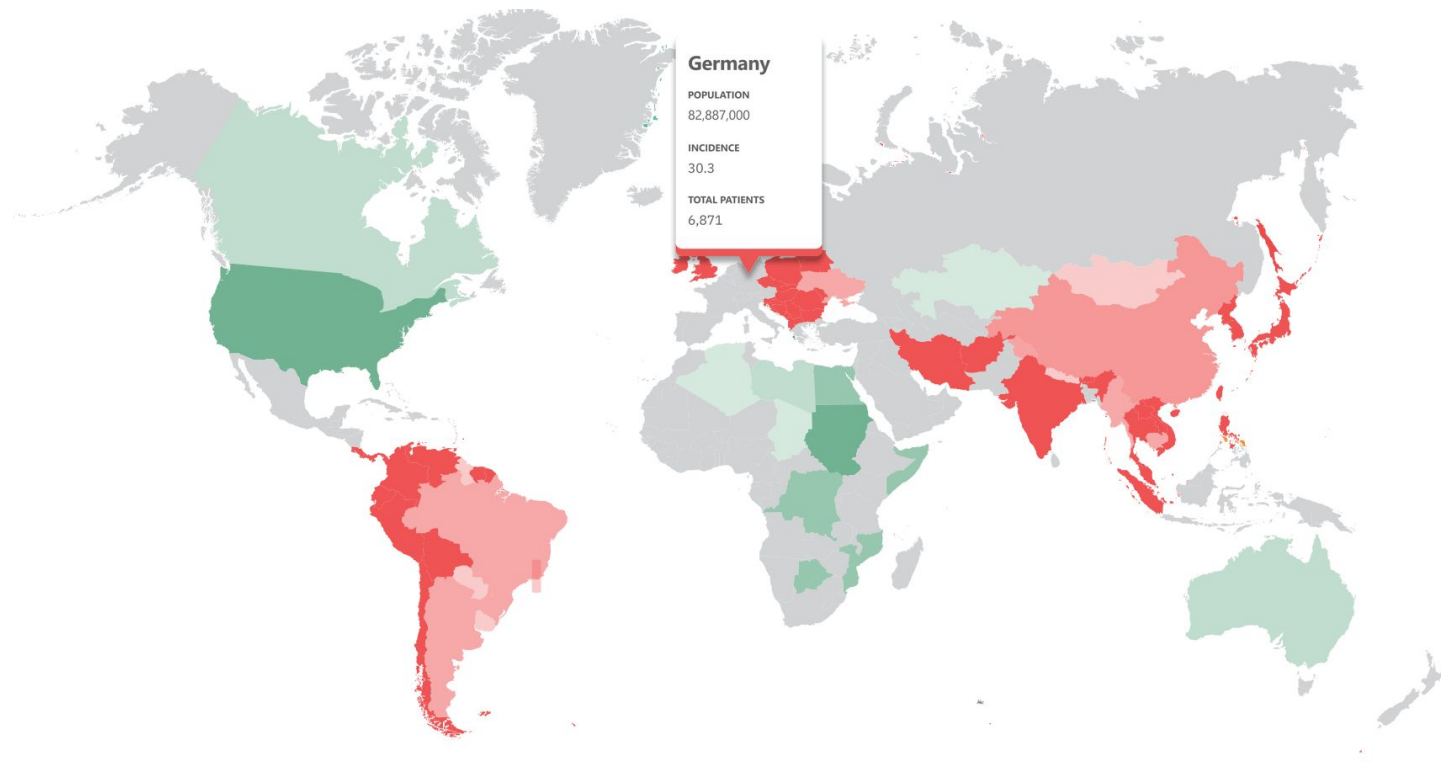

WHAT'S NEXT?

FindMePatients

Real-Time Data Platform Predicting Patient Recruitment

There are no such things as

INCURABLE

There are only things for which
man has not found a

CURE
