

Patient Engagement Tools Session #2

July 9th, 2020, 15h CET / 9am EST

The PEOF2020 takes place whilst the public consultation on the tools produced by PARADIGM is still underway. The session will present three patient engagement tools:

- Community Advisory Board – Guidance document and templates
- Enhancement of the EUPATI industry guidance
- Code of Conduct for all stakeholders in patient engagement activities

The key aim of the session is to improve the tools' usability and practicality for the patient engagement community, using participant feedback.

Expected outcomes of the session:

- Overall feedback on the usability and practicality of the tools
- Refinement of the presented tools using insights and suggestions from participants
- Acceptance of the conveyed principles
